Kind attn: Mr. Ketan Vora

We here by confirm that we have regular business with WAAREE ENERGIESPVT' LTD for purchase of various Watts solar panels since 2009, during which company has provided with Excellent quality, on time Delivery and technical support in area of PV Modules.

Please note that we have purchased PV solar panels from 60 watts to 90 Watts & up. Our customers where we have used WAAREE solar panels for solar street light, and solar power pack units installation are most satisfied with performance of these panels. We have installed centralized solar street light using 74Wp WAAREE Panels at Halvad Dist. Surenrendranagar, Lok Bharti Sanosara Dist. Bhavnagar site and we have also installed so many Solar Home Lights in Bhavnagar & Amreli Dist. We appreciate that WAAREE has all required quality test reports of IEC, ETL, approved for PV panels with MNRE.

WAAREE provide its service and products in a professional and efficient manner to our satisfaction. WAREE WS 74 – PHOTOVOLTAIC MODULES met expectations in terms of Quality, Performance, Warranty and Delivery. These modules are performing satisfactory since the date of commissioning of our project.

I can confidently recommended WAAREE ENGINEERS PVT.LTD. as a High Quality and Reliable Suppliers & Expert in the Solar related field.

We confidently recommend WAAREE Energies Pvt. Ltd. as reputed group and reliable manufacturers & supplier and expert in their- field. This letter does not provide any commitment from us, not this letter should be considered as a sponsorship letter. This letter is issued without any third party responsibility whatsoever.

Ours Energy Saver,
Kashyap Pandya.
