CERTIFICATE OF GOOD PERFORMANCE

To whom it may concern,

I confirm that I have dealt with WAAREE Energies Pvt. Ltd. since July 2009, during which time they have provided my business with excellent quality, on time delivery and support in the area of PV modules.

This is to certify that we procured and used WAAREE Solar Photovoltaic modules WS230 for our FtE Považská Bystrica – Podmostie 138,6 kW installed by us at Považská Bystrica, Slovakia in 12/2009 – 3/2010.

WAAREE provided its service and products in a professional and efficient manner to our satisfaction. WAAREE WS230 PV modules met our expectations in terms of quality, performance and delivery. These modules are performing satisfactorily since the date of commissioning of this project.

WAAREE Energies Pvt. Ltd. has been a general supplier of WS230 PV modules for zone A of our PV plant. Their service has been very important to accomplish our aim to construct the second PV plant in north part of Slovakia. Right now our PV plant is producing. WAAREE Energies Pvt. Ltd helped us to become a clean energy producer and so decrease global pollution.

I can confidently recommend WAAREE Energies Pvt. Ltd as a solid and reliable supplier, and experts in their field.

This letter does not provide any commitment from us, nor should this be considered as a sponsorship letter. We do not assume any responsibility towards any third party for the issuance of this letter.

Yours faithfully
